International Organization of Book Towns Italia, with the patronage of IBBY Italia and Centro per il Libro e la Lettura (MiBACT) and with the contribution of BPER Banca and Granarolo and media partnership Rai Kids and Rai Radio 3, presents the International Silent Book Contest 2024 – Gianni De Conno Award. The competition is exclusively reserved for new and unpublished illustrated books without words. The subject is open and not restricted to any age group and readers. The narration must be carried out exclusively through illustrated images and have narrative and stylistic coherence.
2. Authors, illustrators and artists of any nationality, place of origin or residence may participate, with original and unpublished projects, provided they are not less than 18 years old on 5th February 2024. It is possible to participate with one to a maximum of three unpublished projects for each Author.
3. From the book projects enrolled and sent to the competition by 5th February 2024, an International Jury, nominated by the organization will select from eight to fourteen finalists book projects by March 2024. They will be presented and exhibited at the Bologna Children's Book Fair 2024 (April 2024). Then, among the finalists, the Jury will choose the winning project.
4. The book projects entered in the competition must be sent anonymously following the instructions given in the section "On-line registration procedure for submitting material". Book projects submitted and not corresponding to the Participation Methods or incomplete book projects will not be admitted. Also books already published in Italy and other countries won't be admitted.
5. The International Jury, nominated by the organization, is formed of 9 personalities of recognized prestige and professionalism in the publishing world, illustration and literature. The members of the International Jury will be published on the official website of the Silent Book Contest: www.silentbookcontest.com
6. The winner announcement and the award ceremony will be held at the Salone Internazionale del Libro of Turin (Italy) in 2024.
7. The winning book project of the Silent Book Contest 2024 will be published by June 2024 by Carthusia Edizioni of Milan (Italy). The author will sign a regular publishing contract and, as established in the rules of the contest and in the contract, will receive a cash prize of € 3.000, as advance on the royalties.

* In case that the winning project is a collective work of two or more illustrators, the money prize will be equally divided among them in equal parts and the publishing contract will bear the names of both/all the author. In case the winning illustrator has collaborated with an author (not illustrator, but ideator) to ideate the narrative project, the money prize will be divided among the illustrator part and the ideator. In case there will be more than one illustrator and more than one ideator, their 50% money prize will be splitted in the number of them.

Example: a book presented by one illustrator and two ideators. The money prize will be divided like 50% to the illustrator, 50% (25%+25%) to the two ideators.

** In case that the winning project is a work created by a student as part of a course of study at Schools or Academies of Illustration, if the School or Academy deems it appropriate, it may be cited as a third party in the publishing contract. Any distribution of the cash prize provided between the Student and the School remains a private agreement between these two parties, it being understood that the entire sum of the prize will in any case be counted as an advance on royalties for the winning Author.

8. The International Jury has the final decision: to not admit in competition book projects not corresponding to what is specified and contained in the Rules and / or Participation Procedure, to nominate among the projects admitted to the competition a lower number of finalist projects to five or more than fourteen, and also reserves the right not to proclaim a winner of the Silent Book Contest 2024 if the projects are not worthy of publication.
